1. Receipt is acknowledged of the Appeal Brief filed February 21, 2006.

#### ***Allowable Subject Matter***

2. Claims 1-18 are allowed.
3. The following is an examiner's statement of reasons for allowance: After reviewing the Board Decision filed on June 22, 2004 and the Appeal Brief filed on February 21, 2006, the examiner agree that the prior art of record fails to teach or fairly suggest the claimed subject matter. The prior art of record, taken alone or in combination, fail to teach or fairly suggest, in conjunction with other limitations in the claims, a method including the steps of extending a receipt intermediate of an exterior wall of a deposit accepting machine and an overlying member; and moving the receipt in sandwiched relation between a finger extended in an aperture of the overlying member and the exterior wall of the deposit accepting machine to remove the receipt from between the exterior wall of the deposit accepting machine and overlying member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
